Mr. Mike Sullivan

Weston, ON M9N 1N3

Dear Mr. Sullivan:

**Subject: Freedom of Information  
Access Request ADM-0126-05**

I am following-up to our conversation concerning the “missing” documents in your recent access request.

Enclosed please find the complete Table of Contents for the Canada Infrastructure Fund Agreement, as well as pages 27, 28, 29 and 30 which comprise the entire Schedule D of this agreement.

Please accept my apologies for the omission as it appears to have been a photocopying error on our part. As far as my decision letter of June 9 is concerned, I am sorry if you disagree with our decision, however, I can assure you that every effort was made to comply within the guidelines as set out in the Act.

However, if you wish to appeal, please provide the Commissioner’s Office with the following:

1. the file number listed at the beginning of this letter;
2. a copy of this decision letter; and
3. a copy of the original request for information which you sent to this institution.

In addition, you must send an appeal fee to the Commissioner’s office. If your request was for your personal information, the appeal fee is \$10.00. The appeal fee for all other requests for information is \$25.00. Please include the fee in your letter of appeal – appeal fees should be in the form of either a cheque or money order, made payable to the Minister of Finance.
