On November 22, 2006, I sent an email to you about the GO Transit Georgetown South Corridor Service Expansion and Airport Transportation Link Terms of Reference. I've attached the email that was sent.

I am fairly certain that there are no Comprehensive Claims that are affected by the proposal. I am not sure if there is ongoing litigation may impacted. When you have time could please confirm if there are any Aboriginal communities that should be consulted.

Thank you.

Hayley
